Bob White, Sr.

University of Akron Phi Kappa Tau Chapter is donating the proceeds of the “Hole in the Wall Classic Golf Tournament” they are hosting on Saturday, June 18, 2011 to Flying Horse Farms. They are authorized to use our name and logo in representing our 501(c)(3) charity. We appreciate their effort to support our campers and to spread the mission of Flying Horse Farms into the community.

Located in the heart of the Midwest, Flying Horse Farms occupies nearly 200 acres of land adorned with extensive hiking trails, meadows, wetlands and lakes. The camp is designed for families with children who are diagnosed with asthma, arthritis, cancer, gastrointestinal disease, heart disease, hemophilia and sickle cell disease. Campers will be inspired to reach beyond their medical conditions and embrace the healing power of unbridled fun through traditional camp activities as well as by building friendships and self-confidence. This year-round camp, which opened this past fall, will be free of charge for campers and their families. Further information can be found on our website at www.flyinghorsefarms.org.

University of Akron Phi Kappa Tau Chapter is authorized to advertise this partnership with Flying Horse Farms to the extent that they promote the event and represent themselves as donating the proceeds from the “Hole in the Wall Classic Golf Tournament” to Flying Horse Farms. We encourage you to support their endeavors.

Please contact me if you need any further information. Thank you for your time and consideration.

Sincerely,

Alison H. Emery
